

## **BARDEHLE PAGENBERG Team**

### **Axel Berger**

Dr. rer. nat., Docteur, Dipl.-Biol.

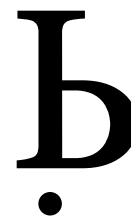

**German and European Patent Attorney, Partner\***

Location Munich

Languages: German, English, French

**+49 89 928 05-0**

**[axel.berger@bardehle.de](mailto:axel.berger@bardehle.de)**

As a patent attorney, Axel Berger specializes in the technical fields of life sciences and pharmaceuticals, particularly gene technology, biochemistry, cell biology, immunology, virology, pharmacology and medical devices. His technical background also includes several years of international research, for example at the Pasteur Institute, Paris.

Axel Berger's main areas of practice include prosecuting patents as well as defending and attacking patents in opposition proceedings. Another area of his practice involves enforcing IP rights in patent infringement and (parallel) nullity proceedings before the German Federal Patent Court. Axel Berger also frequently prepares infringement and validity opinions.

## Legal Areas

Patent Valuation
