

NEW

Design Protection – The complete collection

According to the proven concept, 14 leading new decisions from Austria, Germany, the Netherlands, Switzerland, the United Kingdom and OHIM reproduced in full text, with annotations by experienced specialists of national and European design law (in German or English). Headnotes of 142 additional, mostly unpublished decisions (both in German and English) are covered by the headnotes index.

Volume 4 also includes a decision index which contains a total of 328 decisions from volumes 1-4.
