anita.peter@bardehle.de**

As an attorney-at-law, Anita Peter advises national and international clients in the field of intellectual property, focusing particularly on patent litigation and the interface with antitrust law and unfair competition law. As a member of a team of attorneys-at-law and patent attorneys, she is involved in proceedings for preliminary injunctions, the enforcement of patents, the preparation of opinions with regard to possible infringement of intellectual property rights and employee invention law as well as matters relating to the licensing and assignment of patents. She is looking forward to the establishment of the Unified Patent Court with particular interest.

To date, Anita Peter has acquired particular experience in the fields of telecommunication, medical devices, construction engineering and entertainment electronics.
